DETAILED ACTION

Response to Arguments

Applicant's arguments filed 24 June 2004 have been fully considered but they are not persuasive. Applicant argues that the objections/rejections under 37 CFR 1.126; 37 CFR 1.173(b); 37 CFR 1.172(a); and 37 CFR 1.175 set forth in the previous Office Action of 23 March 2004 do not apply because the case is a continuation rather than a reissue application. However, the case is a *continuation of a reissue application*, and thus must comply with all of the rules and requirements for reissue applications.

The objections/rejections set forth in the previous Office Action are accordingly carried forward and maintained.

Conclusion

THIS ACTION IS MADE FINAL. Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event,

however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
